

## Skill and Job RecommenderApplication

Team ID	PNT2022TMID45895
Department	Computer Science andEngineering
College	Sudharsan Engineering College

I am

Fashion  
enthusiast

I'm trying to

To get  
suggestions on  
clothing

But

The suggestions are  
generated after a  
considerable amount  
of time

Because

The application  
is quite slow

Which makes me feel

Annoyed
